

# Quit Smoking Advantage

*Stop Smoking. Start Saving.*

Americo's Eagle Select Quit Smoking Advantage encourages clients to stop smoking. This benefit allows Smokers to receive an Eagle Select 1 or 2 final expense policy with Non-Nicotine rates for the first three policy years. If the Insured can provide evidence that they have discontinued all nicotine use prior to the third policy anniversary, they will maintain the Non-Nicotine rates for the remainder of the policy.

Show your clients the cost savings they can achieve if they are serious about quitting. And, if they choose not to quit, they've still reduced costs over the first three years of the policy by paying the Non-Nicotine rates.
